BABA – 20/11/98

First Overseas Convention of Chairpersons of Sri Sathya Sai Centres

With the above in mind and the fact that Baba personally blessed our building plans, the following day on 21/11/98, the time has come for us to expand and march on in His Divine Mission and be worthy instruments.

We therefore, make an earnest appeal to all devotees to look within your inner selves and come forward with all that you can give, contribute and exercise in this Grand Seva in the name of Our Bhagawan Sri Sathya Sai Baba.

Devotees this is the time, the time to offer the best you can according to your abilities in material or kind to build Baba's Centre in order to meet the challenges that lie in front of us for the New Millenium. The Sri Sathya Sai Seva Organisation Worldwide is going to take a new dimension and your inputs in all aspects are now required. This is the golden opportunity for you to offer yourselves in this Grand Seva which is going to shape and build your centre for the near future. It will be a landmark on the 'Sai' map for all devotees to be proud of.

Therefore, come forward with all your might and join us in this Beautiful Project in the name of Our Bhagawan Baba.
