

SRI SATHYA SAI™

# Divine Visit to East Africa

*This Day ... That Year*

June 30 to July 14, 1968

Day 3

## His Leelas at Kampala

July 02, 1968

**Baba gave special instructions that everyone, who came, must be called in and seated comfortably during Bhajan and that the disabled and the sick must be tended to with fond affection by volunteers and all concerned.**

**Interviews were granted to a large number of people, especially Africans. A stone-deaf person could, for the first time, experience the amazing world of speech and sound when he came out of the interview room! He cured a polio-stricken person and a lame person too. They could walk without a wheelchair.**

**Swami dedicated a special time for those who had 'spiritual doubts' and 'Sadhana-related' queries.**

**In the evening, Swami visited the Bahai temple after the Bhajan session.**

While returning, Swami spoke on the unity of all religions. He said, *“Let the different faiths exist, let them prosper, let them be practised more effectively, let the praise of God be sung in all languages, in a variety of tunes – that should be the ideal.”*

**Swami reached Dr. Patel's place at 8:30 p.m. and was surprised to see the gathering still engaged in Bhajans. He spent another hour moving amidst devotees.**

**The Journey Continues ...**

*Stay Tuned*
