

SRI SATHYA SAI™

Divine Visit to East Africa

This Day ... That Year

June 30 to July 14, 1968

Day 5

Visit To Nairobi National Park And Nanyuki

July 04, 1968

**Nairobi is the only city in the world,
where people are awakened by the
roar of wild lions.**

Swami and His party went to the hippo pool and discovered a big 'school' of them in a stream, infested by crocodiles. Baba spoke of the co-existence of these two, as another example of co-operation in nature.

Post lunch they drove to Nanyuki, which was 200 km away, and stayed at Secret Valley Game Lodge.

Back at Nanyuki, Baba was approached by a group of people who had come some distance from the interior, hoping to meet Him and crave His Grace on a half blind boy. Swami asked to bring him to Nairobi. And when Swami was at Nairobi, He gave them an interview. After interview when the party came out, the father was in tears of joy.
